

Humberside Engineering Training Association HETA is a rapidly expanding Group Training Association (GTA) with training centres in Hull, Stallingborough and Scunthorpe. HETA provide engineering apprentices and adult skills training for hundreds of companies in Yorkshire and Humberside.

We recruit industry specialists who want to make the career change to delivering training and skills-is this you?

HETA has a vacancy for the following post:

Engineering Lecturer £30,000 + benefits

We are looking for an individual with suitable ability and background who feels they have the right skills and attributes to pass on their knowledge and experience to the next generation of engineers.

This position involves delivering Engineering Maths and Electrical Science modules to level 3 apprentices at our different sites and also delivery of the HETA Engineering HNC/HND programme in Hull.

The successful applicant will have good technical skills, good interpersonal skills, and more than five years relevant industry experience.

A teaching qualification and engineering qualifications to HND level are essential, degree level qualifications are desirable.

A full driving licence and use of own vehicle is essential.

In return we offer a competitive salary for the skills sector, company pension scheme, private health care, performance related pay and 30 days leave per year.

HETA is committed to safeguarding our learners and successful applicants will be required to undertake a Disclosure and Barring Service check, and to register on a suitable instructor/teacher training programme.

To apply for the above position please download an application form from the Career Opportunities page on the HETA website. If you require further information please contact Cathy Bourne catherine.bourne@heta.co.uk 01482 372675.
