

**An important date for your diary is 1st April 2018.
If you are a levy paying employer, from April 2018 you will be
able to transfer 10% of your levy funds to us as a registered ATA.**

Currently levy paying employers cannot transfer levy funds to any other organisation and can only use levy funds to pay for Apprenticeship training and assessment (with an approved provider and assessment organisation, up to its funding band maximum).

You may already know it is not possible to use the levy funds for wages, travel or subsidiary costs, managerial costs, work placements, traineeships, or set up costs for an Apprenticeship programme.

However, changes are on the horizon. As from 1st April 2018, levy paying companies can transfer 10% of their levy funds to ATAs, which means you can use Humber ATA to support with your 'levy' needs.

Watch this space. We will keep you updated of progress but if you have any further queries with regards to the levy, or our role as an ATA, then please do not hesitate to get in touch!
