

Humberside Engineering Training Association HETA is a rapidly expanding Group Training Association (GTA) with training centres in Hull, Stallingborough and Scunthorpe. HETA provide engineering apprentices and adult skills training for hundreds of companies in Yorkshire and Humberside.

We recruit industry specialists who want to make the career change to delivering training and skills-is this you?

HETA has a vacancy for the following post at our South Bank Centres:

Electrical/Multiskilled Assessor Competitive salary + benefits

HETA are currently looking for a qualified Electrical or Multiskilled Engineer to visit our apprentices within their workplace to assess progress towards their Apprenticeship standards. It is important that all applicants have a clear commitment to the development of young people.

The successful applicant will have good technical skills, good interpersonal skills, and more than five years relevant experience.

Relevant trade qualifications are essential. Assessor and teaching qualifications are desirable but not essential as full support will be given in the development of necessary skills.

The role can be based at either our Stallingborough or Scunthorpe centres and involve visiting companies across North & North East Lincolnshire. Some travel nationally may also be required.

A full driving licence and use of own vehicle is essential.

In return we offer a competitive salary for the skills sector, company pension scheme, private health care, performance related pay and 30 days leave per year (pro-rata).

HETA is committed to safeguarding our learners and successful applicants will be required to undertake a Disclosure and Barring Service check, and to register on a suitable instructor/teacher training programme.

To apply for the above position please download an application form from the Career Opportunities page on the HETA website. If you require further information please contact Cathy Bourne catherine.bourne@heta.co.uk 01482 372675.
