

Humberside Engineering Training Association HETA is a rapidly expanding Group Training Association (GTA) with training centres in Hull, Stallingborough and Scunthorpe. HETA provide engineering apprentices and adult skills training for hundreds of companies in Yorkshire and Humberside.

We recruit industry specialists who want to make the career change to delivering training and skills-is this you?

HETA has a vacancy for the following post at our new training centre in Hull:

MECHANICAL ENGINEER for Instructor Role (Hull) Competitive Salary + benefits

We are looking for a multi-skilled Mechanical Engineer with a high level of industry experience who would like to move into training and pass on their knowledge and experience.

The successful candidate will work with our existing instructor team delivering high quality apprenticeship training in skills including mechanical maintenance, bench fitting and machining for our client companies and also deliver on our range of commercial courses such as:

- **Basic Mechanical maintenance**
- **High energy safe isolation**
- **Mechanical joint integrity**
- **Hydraulics**
- **Pneumatics**
- **Slinging and lifting**
- **Skills competency assessments**
- **Various health and safety courses**

You will bring your industry experience and a desire to be part of developing the next generation of skilled technicians.

The successful applicants will have good craft/technical skills, good interpersonal skills, basic computer skills and more than five years industrial experience.

Relevant qualifications to at least City and Guilds Craft certificate. HNC or above would be advantageous and teaching qualifications are desirable but not essential as full support will be given in the development of necessary skills.

A full driving licence and use of own vehicle is essential.

In return we offer a competitive salary for the skills sector, company pension scheme, private health care, performance related pay and 30 days leave per year.

HETA is committed to safeguarding our learners and successful applicants will be required to undertake a Disclosure and Barring Service check, and to register on a suitable instructor/teacher training programme.

To apply for the above position please download an application form from the Career Opportunities page on the HETA website. If you require further information please contact Cathy Bourne catherine.bourne@heta.co.uk 01482 372675.
